

YOUR RESPONSE REQUIRED

APPES would like to invite a member to represent the association at the upcoming LWPES/ESPE joint meeting in New York. The conference is taking place from the 9–12 September. As an APPES member, you are invited to nominate yourself, or a colleague for this prestigious role.

The requirements are:

- * The nominee must be under 40 years of age
- * The nominee needs to be the 1st or corresponding author on the research
- * One of the authors on the paper need to be a member at the time of application
- * The nominee needs to be a member at the time of the presentation
- * Presentation will take place in New York on Saturday 12th September in a session from 0800–1000 hours.
- * The presentation will be 10 minutes in duration
- * The paper must be either published or accepted for publication in 2008/2009
- * If the person selected has an oral (on the same topic) in another session, this will not exclude them from this selection process To nominate for this presentation, please send an email to the APPES secretariat at appes@willorganise.com.au, with the abstract attached, and the details of the presenting author, and publication details.

The successful applicant will be offered US\$1200 to assist with travel costs to the conference.

SUBMISSIONS CLOSE:

18 AUGUST 2009 APPES CLINICAL CASES FORUM The APPES clinical cases forum is a valuable tool for ‘conversation’ across the region. If you would like to seek advice on a case, to share ideas on a diagnosis or to ‘talk’ to colleagues across the region, you can do so from this site. If you have already registered for the forum, you can participate in the discussion by logging onto the website forum, by clicking [HERE](http://forum.appes.org/forum.asp?id=2)

<<http://forum.appes.org/forum.asp?id=2>> and then clicking on LOGIN at the top of the screen If you have not already registered to be a user of the Clinical Cases Forum, you can do so by visiting the REGISTER PAGE <<http://forum.appes.org/register.asp>> and following the instructions to register. MEETINGS Don’ t forget to include the APPES 2010 Scientific Meeting in your diary for next year. The meeting is being held in Xi’ an, China from 17–20 November 2010. The ISPAE 2009 (Indian Society of Paediatric and Adolescent Endocrinology) meeting is being held in Delhi in November this year. Call for abstracts is still open, closing on the 17th August. Please click [HERE](http://www.ispae.org.in/index_Page377.htm) <http://www.ispae.org.in/index_Page377.htm>

to be taken to the ISPAE website for more details.

If you have any comments or questions, please do not hesitate to contact the APPES Secretariat at:
