**Each author is required to complete and return this form to the corresponding author.**

**The corresponding author should upload the forms online**

When submitting a manuscript to the Clinical Pediatric Endocrinology, all authors are required to disclose any financial relationship (**within the past three years**) with a biotechnology manufacturer, a pharmaceutical company, or other commercial entity **that has an interest in the subject matter or materials discussed in the manuscript.**

The matters requiring disclosure are outlined in the JSIM Conflict of Interest Policy.

When your manuscript is accepted for publication, all of the disclosures should appear in your article as "Conflict of Interest Statement" in Clinical Pediatric Endocrinology as follows.

### **Conflict of Interest Statement**

A (author name) serves as a consultant to Z (entity name); B's spouse is chairman of Y; C received a research grant from X; D received lecture fees from V; E holds a patent on U; F has been reimbursed by T for attending several conferences; G received honoraria for writing promotional material for S; H has no conflict of interest.

If you, your spouse, or other immediate family member, has any of the listed relationships with a commercial entity that has an interest in the subject matter in your manuscript, please refer it to the JSIM's definition for potential conflict of interest which must be disclosed. And then, check the appropriate "Yes" box in the form and provide details. If the listed relationship does not apply to you or your family member, check the appropriate "No" box.
